Amardeep Singh Shergill
(1973-1992)

Vice-Chancellor's Message

Education is a mediator to widen the mind, and to equip it with motivation and accurate insight. It channelizes the maturing potential of the youth and diverts their vitality and energy towards a constructive and productive society and economy. Education provides the propensity to recognize our competences, and become enlightened, lucid and compassionate citizens. It opens doors to various opportunities and enhances our skillsets for a bright future. It empowers us intellectually, grooms our potentials and makes us more confident to overcome the hurdles of life. In today's fast evolving world, an erudite person will always outshine others.

The spirit to instil outstanding educational values couples with a need to bridge the gap between industry requirements and academic output is the perennial priority of Guru Nanak Dev University. I understand that Amardeep Singh Shergill Memorial College, Mukandpur with a sprawling campus, is catering to educational needs of the youth. The college provides a perfect blend of traditional and latest professional courses and ambience to encourage independent thinking and a spirit of achievement in its students. The college envisions becoming a center of excellence in education and training within the ambit of global changes. The college has been in the forefront for introducing new and innovative teaching pedagogies beneficial for the students during COVID-19. To render selfless service in the field of education, the college is offering courses in varied fields. It is praiseworthy that Amardeep Singh Shergill Memorial College, Mukandpur since its inception, is attending to the needs of rural students as well. The college also organizes various seminars and lectures for the benefit of the students.
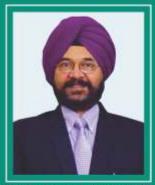

Amardeep Singh Shergill Memorial College, Mukandpur is upholding the heritage with its comprehensive vision, zealous faculty and earnest students. As the college continues to strive for new benchmarks, I extend my warm wishes to the Principal, all the members of the staff and also students for their future endeavours.

Principal's Message

Amardeep Singh Shergill Memorial College, Mukandpur has been at the vanguard of academics since 1994. Truly speaking, while taking the administrative duties as a Principal of this college, feelings of both elation and gigantic responsibilities overpowered my thought process strongly. These feelings reminded me of those golden days of the beginning of my career when I joined this institution as a Lecturer and wished seeing it to be a model college in the academic spheres of Punjab. For the fulfilment of this wish, I worked enthusiastically and equipped the institution with strength to outshine itself among other colleges. Even now, under the aegis of University, I hope that my tenure of principalship will prove to be a glorious period in the history of the college. Being the senior most faculty member and a witness of its foundation and establishment, I am committed to leave no stone unturned in the progress of college.

I am sincerely thankful to Prof. (Dr.) Jaspal Singh Sandhu, Hon'ble Vice Chancellor, GNDU, Amritsar for bestowing on me this responsibility. I express my heartfelt gratitude to the Founder Chairman of Managing Committee and Padama Bhushan awardee Dr. S.S. Johl, Ex-Chancellor, Central University of Punjab, Bathinda. I am also thankful to Prof. Sarabjot Singh Behl (Dean Academic Affairs), Prof. (Dr.) Karanjit Singh Kahlon (Registrar), and Prof. (Dr.) T.S. Banipal (Dean College Development Council).

I salute the philanthropic efforts of S. Gurcharan Singh Shergill, Founder Chairman of Amardeep Singh Shergill Memorial Trust, Mukandpur and his associates for establishing such an institution that is serving a noble cause of spreading education in the rural interior.

I thank the members of faculty and non-teaching staff for their commendable services and welcome students who join this seat of learning.

May this college achieve glorious heights in the years to come!

Dr. Gurjant Singh
M. A., M. Phil, Ph. D.
Principal

Amardeep Singh Shergill Memorial College, Mukandpur (SBS Nagar) was taken over by Guru Nanak Dev University, Amritsar on July 4th, 2007 as a University College with the mission to provide quality education to the rural youth. The university has established this institution as Rural Model College. Under the aegis of worthy Vice - Chancellor, Prof. (Dr.) Jaspal Singh Sandhu, our college is progressing by leaps and bounds. The college was established in 1994 in the memory of Amardeep Singh Shergill, an illustrious student of London School of Economics who passed away in the prime of his youth. He was the only son of S. Gurcharan Singh Shergill and Sardarni Surinder Kaur Shergill. Instead of getting subdued in grief, the parents decided to serve a noble cause of spreading the light of knowledge amongst rural youth with the help of other 120 NRI associates.

The college is situated at Mukandpur, a small town in district S.B.S. Nagar. It is about 8 Kms from Banga, 20 Kms from Phagwara, 20 Kms from Phillaur and 20 Kms from SBS Nagar. The campus sprawls in an area of over 20 acres with an architecture that merges with the landscape. It has a splendid triple-storeyed building with an open shelf library, having more than 33,500 books, 40 journals/magazines and leading newspapers. The college library is also providing e-journals and e-books through NLIST, Directory of Open Access Journals (DOAJ) and National Digital Library of India. The library has a separate e-book section also. Students can also access educational C.Ds in the library. The college library provides facility of internet and photocopy to students and faculty members. The college has Physics, Chemistry, Botany, Zoology, Home Science, Music (V) labs and smart class rooms. In addition to this, there is a separate Computer Science and I.T. Block, which has six state-of-the-art Computer Labs equipped with 150 computers and internet connectivity of 25mbps (1:1) through radio link. The college campus is fully covered under Wi-Fi facility. Equipped with modern teaching aids, the Department of Commerce and Business Management disseminates essential skills of entrepreneurship through academic and professional courses. There is a separate Seminar hall with a seating capacity of 170 persons. A hostel for 80 girls is available with extended internet facility in it. The Gymnasium with its latest imported machines is a cynosure of all eyes. Sports facilities include a track of four hundred metres and playfields for football, hockey, volleyball and handball. A fleet of buses carries the girl students to College and back to their homes. The beautiful open-air theatre helps our students to nurture their academic and cultural capabilities.

The college has highly qualified, hardworking and dedicated faculty. Presently, the college is running professional courses like MCA and MBA along with other traditional courses like M.Com, MA Punjabi, M.Sc.IT, BA, B.Sc, B.Com, BBA, BCA, PGDCA, DCA, DCM, DNCN and DMLT. The college is going to introduce PG Certificate course in TDS Management and Return Filing and Diploma in Food & Beverage from this academic session.

To widen the horizons of the learning, seminars and extension lectures by eminent speakers are arranged in the college from time to time. Separate units of N.S.S., Youth Club and faculty/subject wise societies have been working to make our students disciplined and service oriented citizens. Under the buddy programme for drug awareness being run by the Punjab Government, we are working towards educating our students about the ill effects of drug abuse and generate positive peer influence. Our College is leading in academics in the area and also has achieved name and fame in cultural activities. Educational trips are also organised during the session. Apart from being a medium for entertainment, these educational trips cultivate team spirit, mutual adjustment and tolerance amongst the youth. Various cultural programmes including talent hunt, inter-college competitions and Amardeep Mela are organized annually. Athletic meet is also our annual feature.

Our college has put forth an exemplary tradition of imparting blended education where students are given top priorities and teaching learning process is carried according to the need and pace of our dear students. The college is committed to provide quality education through towering standards of teaching and is hopeful to touch new vistas in the time to come.

Youth Festival

- Entailing a gamut of young talent, the Youth Welfare cell trains students to participate in youth festival of GNDU. This cell works in consonance with Youth Welfare Department, GNDU and Directorate of Youth Services, Punjab. Every year our students clinch accolades in competitions like folk song, one act play, skit, debate, elocution, Bhangra, Giddha etc. for the college.

SOCIAL OUTREACH PROGRAMS

N.S.S

N.S.S. aims at fostering social consciousness of the youth. Its overall objective is to inculcate the spirit of social service, dignity of labor, community development, national integration and fellow feeling among the students. It has been active in our college since 1994. The college runs two units of N.S.S. – one for boys one for girls.

Activities of N.S.S. include community service of 120 hours a year in college campus and special camp of 7 days in nearby rural areas. Other activities are – Adult education, Swachh Bharat Campaign, First-Aid Training, Campus Beautification, Quiz, Essay writing Competition, Blood Donation Camp, Aids Awareness and celebration of International Yoga Day. Students of all classes can apply for enrollment in N.S.S.

Go Green Campaign

The college has launched a 'Go Green Campaign' with a pledge to make the campus green and environment friendly. With collaboration of Rotary club, a wide variety of plants and flowers are planted in the campus. Students are made aware of environment pollution through debates, quizzes, essay writing and poster making competitions.

Buddy Program

Our college has followed the Buddy Programs in letter and spirit initiated by government of Punjab. As per guidelines our program focuses on; Community involvement programs specific to DAPO and Buddy program, Mentoring and counseling inside the campus, myriad activities to channelize the energy of the youth through various clubs and societies.

Youth Club

The youth club remains active throughout the year. With a view to break the monotony of the classroom teaching, the club organizes hiking and trekking expeditions besides holding debates and declamation contests. Youth club is involved in various other activities like inter college expeditions and organizes extension lectures.

Seminars, Webinars & Extension Lectures

Acknowledging the fact that every institution pins to excel in academics, our college also strives inadvertently to stretch its wings in educational erudition. Adhering to this perspective various seminars, extension lectures and workshops are organized by all the departments to widen the horizons of the learners.

OTHER SERVICES

Career Guidance and Placement Cell

Career guidance cell with its quality resources and support helps the students in their career development from exploring their options to securing the suitable jobs. The cell not only offers help with career choices and job hunting but also helps in developing various skills that employers seek for by conducting various guidance sessions. The Placement Cell of the college provides ample opportunities to the students to carve a niche in the professional world. The cell organizes placement drives throughout the year in collaboration with Guru Nanak Dev University, Amritsar and Government of Punjab. Our students have got placements in some of the most coveted companies.

Girls Grievances Cell

As an innovative practice, the institution has established Girls Grievance Cell with the objective of redressing the grievances of the girl students. It provides information regarding counseling and support services on the campus. It promotes awareness about sexual harassment through educational initiatives that foster a respectful and safe campus environment. Quick and suitable action is taken against any complaint from a student thus ensuring a congenial environment in the college without any fear of harassment.

Excursions

In order to boost the capacity to learn and to teach meaningful application to young minds the college makes best efforts to complement the academic system with practical skills through various teaching methodologies that extend beyond classroom. Varied and multifarious activities like field trips, educational trips, visit to companies and industries, hands on work experience in almost all the practical subjects are integrated to the academic agenda. Educational trips also cultivate team spirit, mutual adjustment and tolerance amongst the youth in addition to being the source of entertainment.
