GURU NANAK DEV UNIVERSITY

Guru Nanak Dev University was established on November 24, 1969 to mark the birth Quincentenary of Sri Guru Nanak Dev Ji, the founder of Sikhism. The University upholds the teachings and values of the Guru, the apostle of universal brotherhood, truthfulness, non-violence, compassion, tolerance, harmony, humanity, who strictly observed moral and ethical values in daily life.

Ever since its foundation the endeavour of the University has always been to meet the objectives enshrined in the Guru Nanak Dev University Act 1969, which emphasize that the new University would make provisions for imparting education and promoting research in the humanities, learned professions, sciences, especially of applied nature and technology. Hence, it has been promoting education in such fields as Basic and Applied Sciences, Arts, Management, Information Technology, Media, Industrial Technology, Environment, Planning and Architecture Studies. In addition, research on the life and teachings of Guru Nanak Dev ji, promotion of Punjabi language and spreading education among educationally backward classes and communities are its other commitments.

The UGC conferred this University with status of "University with Potential for Excellence" in 212. The National Assessment and Accreditation Council (NAAC), Bangalore in December 2022 re-accredited the University in 4th cycle with **CGPA of 3.85 out of 4-point scale at "A++" grade** highest level, as per accreditation framework of NAAC. Earlier, it had been accredited at "A" grade level in 2000, reaccredited in 2nd cycle 2007 with CGPA of 3.50/4.00 then reaccredited in 3rd cycle in 214 with CGPA 3.51/4.00. The current H index of the university is 144 indicating the quality of research publications at national and international level.

Guru Nanak Dev University, Amritsar has become the only University of Punjab to get the elite "Category-1" status by the University Grants Commission (UGC), giving autonomy to open new Departments, schools, off-campus facilities and starts new schools and distance learning programmes, besides the freedom to hire foreign faculty without the UGC's approval.

With the motto of the University as engraved on its emblem 'Guru's wisdom illumines all', the University has been leaving no stone unturned to meet the aspirations and expectations of the society. Spread over area of 500 acres towards the west of the city, Guru Nanak Dev University presents a picture of lush green landscape, modern architecture and sustainable environment. ThUniversity today boasts of 45 teaching Departments at the Campus, two regional campuses and 170 affiliated, university and constituent colleges, many of which are located in the rural areas so as to make quality Higher Education accessible to the rural masses. All the programmes of the university compile the guidelines of New Education Policy 2020.

More than twenty thousand students, an overwhelming majority of them being women, are enrolled in various Departments at University Campus, Regional Campuses and University-Constituent Colleges. Online admission, online Counselling, online re-evaluation, introduction of Credit Based Evaluation & Grading System etc. are a few hallmarks of the University. All the results have been computerized and OMR (Optical Magnetic Recognition) system is being used to bring in more efficiency and transparency. It is the first University in the region to have computerized its examination and registration system. The students now have an all-time access to their results through SMS service.

Academically also, the University has carved a niche for itself in the field of Higher Education in the country. Our university is recognized as one of the leading institutions in North India in the domain of Arts, Humanities, Science and Technology. Many coveted projects from the apex bodies like MHRD, DST, CSIR, BARC and other organizations worth crores of rupees have been awarded to our faculty members. One of the four Nodal Calibration Centres established by Bhabha Atomic Research Centre is set up at our campus. The Centre of Emerging Life Sciences equipped with the state-of-the-art scientific instrument's worth crores of rupees, a well-maintained Botanical Garden, Department of Sports Medicine & Physiotherapy are a few to mention. A well-equipped modern computer lab with the help of TCS has been established to strengthen the University infrastructure and to prepare students for employment. Presently, a Centre with Potential for Excellence in Life Sciences and a Centre for Advanced Study in Chemistry granted by UGC are working successfully in the University. A Centre for Entrepreneurship and Innovation is being set up in the university under the aegis of *Rashtriya Uchatar Shiksha Abhiyan* to provide skill-oriented training and incubation facilities.

The fact that the University has been the winner of the coveted Maulana Abdul Kalam Azad Trophy, the highest Sports award for a University in the country, for a record number of 25 times, speaks volumes about its supremacy in the field of Sports. An Astro Turf for hockey, a swimming pool of International Standards, a velodrome, a gymnasium hall, a shooting range and many other state-of-the art Sports facilities are the prized possessions of the University. The Lifelong Learning Department of the University is successfully catering to the male and female folk of the region to make them self-dependent by offering various skill development programmes.

The track record of employment of our students by big business houses and multinational companies has been very satisfactory. Our students of engineering, planning, architecture, management and commerce field are employed by government sector and companies in India and abroad. They are all contributing to the credit worthiness of the University by their hard work and diligence. All these achievements and successes are due to the heart and soul put in by the students, faculty members, and administration of the University.

Dean Academic Affairs's Message

Established in 1969, Guru Nanak Dev University is counted among the premier institutions of higher education in India and is widely known for its excellence in teaching, research, sports as well as cultural activities. It is an honour to serve this institution as Dean, Academic Affairs. In line with the provisions in Guru Nanak Dev UniversityAct 1969, the University has created provisions to impart education to promote teaching and research in all disciplines including Sciences, engineering and technology, life sciences, arts, social sciences, education, humanities, languages as well as religious studies and sports among others. The University has gained distinction in catering to the education needs of underprivileged society, especially in the rural areas. From the session 2025-26 onwards, University has given 5% each of Supernumerary Seats under the Categories of Border Area/Rural Area.With 45 different Departments organized in fourteen different faculties, the University has regional campuses in Jalandhar and Gurdaspur in addition to University colleges at Mukandpur, Jalandhar and Niari. Additionally, University has 14 constituent colleges located at different places in Punjab. The University has over 13194 students and more than 295 faculty members teaching different Programmes under the Credit Based Continuous Evaluation (CBCE) and grading system.

The faculty of Guru Nanak Dev University has achieved visibility at national as well as international level, which is attested by the number of awards and distinctions they have received in their respective disciplines. Some of these awards include fellowships of all major societies of science, medicine and other disciplines, medals of national societies, lecture awards and other coveted distinctions in sports. The most recent being the accreditation of the university by the National Assessment and Accreditation Council (NAAC) with highest A++ Grade at a score of 3.85 on 4.00 scale making it one of the best universities of the country. The "Category One" status in the region of Punjab and Chandigarh, recognition as one of the top ten "High Performing State Public Universities" across India, status of "University with Potential for Excellence" by UGC, the second rank amongst the cleanest higher educational institutions in the country in the category of Government Universities by the Ministry of Human Resource Development, Government of India, the increase in the H-index to 157 in 2025 from 64 in 2017, winning the Maulana Abul KalamAzad Trophy 25 times till 2025, represent that Guru Nanak Dev University has always encouraged its students and faculty towards determination, fortitude, resilience and distinction. To foster the research activities, thr University is committed to provide 100 fellowships for Ph.D. Scholars from its own resources. It is note worthy that recently University student won the Gold Medal in women's 50 metre rifle 3 position event at Shooting World Cup in Buenos Aires, 2025.

I am sure, under the dynamic leadership of Prof. (Dr.) Karamjeet Singh, Vice-Chancellor, the University is well poised to achieve more laurels at national and international level.

Associate Dean's Message

It gives me immense pride and pleasure to welcome you to Guru Nanak Dev University, Regional Campus, Gurdaspur - a temple of learning established under the divine blessings of Shri Guru Nanak DevJi. Our campus was conceived with a noble mission: to bring world-class educational opportunities to the youth in the border region, empowering them with knowledge, skills, and values for a better future.As we move forward into a new academic session, we embrace a period of intellectual stimulation, creativity, and dynamic learning. Our aim is not only to deliver high-quality education but to nurture individuals who are curious, confident, and committed to making a positive impact in their chosen fields and in society.

At the heart of our academic excellence is a distinguished and dedicated faculty. They bring a rich blend of academic knowledge and practical insight, along with a proven track record in research, teaching innovation, and student mentorship. This academic environment drives strong student outcomes - both in academic performance and placements - a testament to the quality of education at our campus.We are also an integral part of the Joint Placement Cell of GNDU Amritsar, offering students access to commendable placement opportunities with leading organizations.

Spread across 28 lush acres, our campus is fully equipped with modern facilities to support both academic and extracurricular pursuits. With separate hostels for boys and girls, we ensure a secure and nurturing environment for all our students. We believe in holistic development and encourage participation in various student-led bodies like the NSS Wing, Technical Student Society, and the Legal Aid Cell, fostering leadership, teamwork, and social responsibility.Recognized as a "University with Potential for Excellence" by the University Grants Commission (UGC). Accredited with the highest "A++" grade by NAAC, highlighting our unwavering commitment to quality education. Recipient of the Maulana Abul Kalam Azad Trophy for sports excellence—a record 23 times, underlining our dedication to nurturing talent both in and out of the classroom.

Finally we visualise to be a centre of academic excellence that empowers youth, especially from border and rural areas, through inclusive, innovative, and value-based education, fostering professional competence, ethical leadership, and social responsibility in alignment with the teachings of Shri Guru Nanak Dev Ji.

Reservation Policy

(A) Reservation Policy in the University Teaching Departments/Regional Campuses for admission in UG and PG Programmes is as under:

Category	%age
(1) General	52%
(2) Schedule Caste	20%
(3) BackwardClass	8%
(4) Ex-Serviceman/Ex-Serviceman(Dependent): Ex-Serviceman/Ex-Serviceman(Dependent) General: 7% Ex-Serviceman/Ex-Serviceman(Dependent) SC :4% Ex-Serviceman/Ex-Serviceman(Dependent)BC : 2%	13%
(5) FreedomFighters (General)	1%
(6) Persons With Disabilities	3%
(7) Sports : Sports(General):2% Sports(SC) :1%	3%

Explanations:-

(4)   13% reservation is provided to ex-servicemen and their dependants by providing reservation within reservation of:
* 7% to General CategoryEx-serviceman,
* 4% toScheduledCasteEx-servicemanand
* 2% to Backward Class Ex-serviceman.

This Horizontal reservation is applicable for admission to the various educational institutions of the Punjab Govt. :

a. As per instructions of Department of Social Justice, Empowerment & Minorities vide letter dated 22.10.2009, if Ex-serviceman is not available from SC category, then the seats will be filled from amongst SC (General) Category only.

b. As per instructions of Department of Social Justice, Empowerment & Minorities vide letter dated 03-01-2017, if Ex-serviceman is not available in Backward Category, then the seats will be filled from amongst Backward Category(General) only.

c. Further, if the seats still remain vacant which are reserved for Ex-serviceman, the conversion of seats may be done from Ex-servicemen to General at the time of physical counseling (i.e. vacant seats will be filled up on merit basis by the University).

(5)   1% reservation is provided towards of Freedom Fighters:
However, in the event of quota reserved (1%) for Freedom Fighters category remains unutilized,the conversion of seats may be done from Freedom Fighters Category to General at the time of physical counseling (i.e. vacant seats will be filled up on merit basis by the University).

(6)   3% reservationis for the PWD only and it will not be further bifurcated into General, SC and

BC i.e. an eligible PWD candidate (as per State disability norms) will be allotted the seat on the basis of the merit irrespective of its Category (General, SC or BC).

a. In the event of quota reserved for suitable category of disabled candidates remains unutilized (i.e. 1% for Blindness or low vision, 1% hearing impairment & 1% for locomotor disability or cerebral palsy), the unutilized seats benefit may be given to other suitable categories of PWD on merit basis i.e. seat share for blindness will be transferred to hearing or locomotor disability and vice versa.

b. In the event of quota reserved (3%) for Persons with Disabilities remain unutilized, the conversion of seats may be done from PWD to General at the time of physical counseling (i.e. vacant seats will be filled up on merit basis by the University).

(7) 3% reservation is provided to Sports category candidates which is further bifurcated horizontally into 2% reservation for Sports (General) and 1% for Sports (SC) :

a. As per instructions of Department of Social Justice, Empowerment & Minorities vide letter dated 22.10.2009, if Sports person is not available in SC category, then the seats will be filled from amongst SC Category (General) only.

b. However, (i) in the event of quota (2%) for General Category in the Sports Category remains unutilized, then the conversion of seats may be done from Sports Category (2%) to General Category at the time of physical counseling.

(ii) in the event of quota (1%) for SC Category in the Sports Category remains unutilized, then the conversion of seats may be done from Sports SC Category (1%) to General SC Category at the time of physical counseling.

While working out the percentage of seats in the Reserved Categories as per State reservation policy, if the number arrived at, contains a fraction, this shall be resolved as follows :

a. If the fraction is 0.5 or more, it shall be rounded off to 1; if it is less than 0.5, it shall be ignored. For instance: 2.4 seats would rounded off to 2 ; similarly 2.6 would be rounded off to 3.

b. After rounding up or down – if the total number of seats after making this adjustment exceeds the prescribed number fixed for the Programme, the necessary additional seats shall be created and considered as part of the total number of sanctioned seats. This shall, however, not affect the total number of seats in the General Category.

A roster register for reservation of seats for ex-servicemen/PWD/FF shall be maintained and carry forward all fractions through different fractions over the years till the accumulation of fraction is 0.5 or greater.As and when the total sum value of fractions exceeds to 0.5 or greater, a seat will be provided in that particular category. The carry forward, accumulation and rounding off cycle will go on and on.

Note: 1. The Inter-se priority for reservation to the wards of Armed Forces personnel for admission in education institutions will be as provided by the letter No.6(1)/2017D (Res. II) dated 21.05.2018.

2. In case of Persons with Disability seeking admission in educational institutions there will be a relaxation of 5 years in the upper age limit where ever applicable.

(B) Common Weightage Admission Policy in the University Teaching Departments/Regional Campuses is as under:

Weightage (UG only)						
NCC	A	B		C		
	1%	2%		3%		
NSS	Grade			Position		
	O	A	B	1st	2nd	3rd
	1%	1%	NA	1%	1%	NA
Youth Activities (Maximum 4% Weightage)						
AdvanceYouth Leadership Training Camp youth	1%

Competency Development:

The prime objective of this Programme is to enable students to acquire specialized knowledge for various subjects in computer science & information technology. This Programme helps to enrich the student's personal, social and cognitive development to meet challenges of today and tomorrow. It is one of the most sought-after Programmes amongst the engineering aspirant. Computer Science Engineering (CSE) is an academic program which integrates the field of Computer Engineering and Computer Science. This Programme consists of topics related to computation, algorithms, program design, programming languages, computer software and computer hardware. The students are given industrial exposure in the final semester of B. Tech. After the completion of the degree, the students are equipped to pursue higher education or have job avenues in reputed MNCs, PSUs as well as in other government

sector undertakings.

Learning Outputs

- The graduates are able to design, implement and evaluate a computer-oriented system, process and program to meet their needs as well as IT industry requirements.

- Students can apply knowledge of computation and mathematical approaches according to their desired outcomes.

- They are able to understand their professional responsibilities and having ability to make judgments in cyber and other security activities based on social and ethical principles.

Competency Development:

Electronics and Communication Engineering involves researching, designing, developing and testing of electronic equipment used in various systems. This Programme of engineering deals

with basic electronics, microprocessor-based systems, solid-state devices, Analog and digital communication, integrated circuits, microwave engineering, satellite communication and antenna &wave propagation. The department has been successfully catering the needs of the students hailing from different parts of the country and Punjab itself.

Learning Outputs:

After the completion of this Programme, the students will be able to demonstrate their skills in designing, implementing and testing analog and digital electronic circuits, including microprocessor system for signal processing, communication, VLSI and embedded system applications.

Office: Mrs. Jyoti Anand (Sr. Assistant) - 95010-21178

Competency Development:

This Programme provides advanced level knowledge and skills in the design of complex integrated software enabled electronic and microelectronic based hardware systems. In order to meet the demand of industry, the curriculum has been specially designed in consultation

with technical experts from various industries. This Programme provides an exposure to build smart systems that involve processors, IOT based sensors, actuators, communication networks and Data Analytics. The department offers best infrastructure for both practical and theoretical purposes. B.Tech. (Electronics & Computer Engineering) provides a strong foundation in theoretical, practical and design aspects of Electronics and Computer Engineering.

Learning Outputs

- After the completion of this Programme, the students will be able to apply the fundamental and advanced concepts of electronics and computer engineering to analyze, design, develop and implement various systems and applications using latest softwares.

Programmes Detail: Lateral Entry scheme

(i)   B.Tech. (Computer Science & Engineering)

(ii)   B.Tech. (Electronics & Communication Engineering)

(iii)   B.Tech. (Electronics & Computer Engineering)

Programme Offered	Duration (Year)	System	Total Seats	Reserved Categories			
				SC/ST	BC	PWD	Others
B.Tech. (Computer Science & Engineering)	3	Semester	10% of the sanctioned strength and vacant seats of 2023-24 session in 3rd Sem	As per University rules

Seats can be increased or decreased at the time of admission with the approval of competent authority.

Eligibility: (i) B.Tech. Lateral Entry (Computer Science & Engineering)

(i)   For admission to B.Tech. Programmes under lateral entry scheme, the candidates must have passed two years Diploma after 10+2 or three-years Diploma after matriculation examination in the relevant subject (Computer Science & Engineering/Computer Engineering/ Information Technology) from a State Technical Board. The candidate must have obtained 50% (45% for SC/ST) marks as aggregate in the Diploma Programme. Such candidates can be admitted in second year of B.Tech. Programme.

(ii) All those candidates who have passed B.Sc. Degree from a recognized University as defined by UGC, with at least 50% marks (45% in case of candidates belonging to reserved category) and passed XII standard with Mathematics as a subject shall be eligible to apply.

(a) Students who have passed B.Sc. Degree from a recognized University as defined by the UGC, shall clear the subject of Engineering Graphics/ Engineering Drawing and Engineering Mechanics of the first year engineering program along with the second year Programmes.

(b) Students belonging to B.Sc. Stream may further note that they shall be considered only after filing the supernumerary seats in this category with students belonging to Diploma stream.

(c) Candidates who have appeared/ are appearing in the qualifying Diploma examination to be

held during the current session shall also be eligible for submission of admission form but they will have to pass the Diploma before the date of counselling, otherwise, they will not be considered for admission. Such candidates will not have any claim, whatsoever, with regard to the admission to the Programmes.

Eligibility: (ii) B.Tech. Lateral Entry (Electronics & Communication Engineering/ Electronics & Computer Engineering)

(i) For admission to B.Tech. Programmes under lateral entry scheme, the candidates must have passed two years Diploma after 10+2 or three years Diploma after matriculation examination in the relevant subject (Electronics/Electronics & Communication Engineering/Electronic Communication System Engineering/Electronics & Electrical Engineering/Instrumentation Engineering) from a State Technical Board. The candidate must have obtained 50% (45% for SC/ST) marks as aggregate in the Diploma Programme. Such candidates can be admitted in second year of B.Tech. Programme.

(ii) All those candidates who have passed B.Sc. Degree from a recognized University as defined by UGC, with at least 50% marks (45% in case of candidates belonging to reserved category) and passed XII standard with Mathematics as a subject shall be eligible to apply.

    a) Students who have passed B.Sc. Degree from a recognized University as defined by the UGC, shall clear the subject of Engineering Graphics/ Engineering Drawing and Engineering Mechanics of the first year engineering program along with the second year Programmes.

Competency Development:

M.Tech. in Electronics and Communication Engineering with Specialization in Communication Systems is a two-year postgraduate degree program for engineering students. Electronics and communication is an allied branch of engineering which deals with research, design, manufacturing, and testing of electronic and communication devices and equipments. The Programme covers key areas such as Digital Signal Processing, Microwave Communication Systems, Information Theory and Coding, Wireless & Mobile Communication System, Photonic Network and Switching, Satellite Communication etc. The Master of Technology in Electronics & Communication Engineering is a valuable and work-oriented research-based degree in which the student submits dissertation based on research in the emerging trends in communication technology.

Learning Outputs

• Participation in research and development activities to integrate engineering issues in broader social contexts.

• The students can work in educational, R&D institutes, Industry and as an Entrepreneur in Electronics & Communication Engineering field.

• They can pursue their doctoral studies and research in the institutes of high repute in India & abroad and develop independent and lifelong learning skills for their continuous professional development.

For admission in MCA Five Years Integrated Programme (FYIP) after Senior Secondary Examination (10+2)

The Students admitted to MCA Five Years Integrated programme will be awarded degrees of **BCA (3 years duration), BCA (Honours) (4 years duration), BCA (Honours with research) (4 years duration), MCA (5 years duration)** with following exit options :

i.   The eligible students, who successfully complete 3 years (6 semesters) of MCA (FYIP) will have an option to exit the programme and will be awarded degree of BCA.

ii.   The eligible students with equal to or more than 7.5 CGPA in BCA degree (3 years duration), who opt for research in the 4th year of MCA(FYIP) will get BCA **(Honours with research)** after successfully completing 4 years (8 semesters) of MCA (FYIP).

iii. The eligible students with equal to or more than 7.5 CGPA in BCA degree (3 years duration), who do not opt for research in the 4th year of MCA (FYIP) will get **BCA (Honours)** after successfully completing 4 years (8 semesters) of MCA (FYIP).

iv.   The eligible students with less than 7.5 CGPA in BCA degree (3 years duration), will not be offered option for research in the 4th year of MCA (FYIP) and they will get **BCA (Honours)** after successfully completing 4 years (8 semesters) of MCA (FYIP).

v.   The eligible students will be awarded **MCA** after successfully completing 5 years (10 semesters) of MCA (FYIP).

Programme Detail: Master of Computer Applications (M.C.A.) (Five Year Integrated Programme)

The degree programmes offered after Senior Secondary Examination (10+2):

- Bachelor of Computer Applications (BCA)
- BCA Honours
- BCA Honours with Research

- Master of Computer Applications (MCA)

The Students admitted to MCA FYIP will be awarded degrees with the following exit options:

i. **BCA:** The eligible students, who successfully complete 3 years (6 semesters) of FYIP in Computer Science, will be awarded a degree of BCA and will have an option to exit the programme.

ii. **BCA Honours:**

   a) The eligible students with more than or equal to 7.5 CGPA in BCA degree (3 years duration), who do not opt for research in the 4th year of MCA (FYIP) will get **BCA Honours** after successfully completing 4 years (8 semesters) of the Five Year Integrated Programme and will have an option to exit the programme.

   b) The eligible students with less than 7.5 CGPA in BCA (3 years duration) will not be offered the option for research in the 4th year of MCA (FYIP) and will get **BCA Honours** after successfully completing 4 years (8 semesters) of the Five Year Integrated Programme and will have an option to exit the programme.

iii. **BCA Honours with research:** The eligible students with more than or equal to 7.5 CGPA in BCA degree (3 years duration), who opt for research in the 4th year, will get BCA **(Honours with research)** after successfully completing 4 years (8 semesters) of FYIP and will have an option to exit the programme.

iv. **MCA**: The eligible students will be awarded **MCA** after successfully completing 5 years (10 semesters) of FYIP.

Competency Development:

During the Programme the students are given theoretical and hands-on training in Programming Techniques, Database Management System, Microprocessors, Operating Systems and other Application software. The students are encouraged to take an active interest in various research areas like Software Engineering, Computer Networks, Optimization Methods and Parallel Algorithm.

Learning Outputs:

This two years Post graduate programmeis intended to prepare software professionals equipped with skills like software project handling and client-based project for the IT industry. The design and analysis of various software products along with maintenance, development of innovative practices as a part of skill set for IT companies.

Salient features of the Department of Engineering and Technology:
i) **Core Competencies**
   The Department of Engineering and Technology imparts high quality education in Computer Science and Electronics Technology to produce highly competent technical manpower to meet the growing demand of the global industrial sector and cultivates young minds to grow and excel in the technical world. The students are given theoretical knowledge and hands-on training in Programming Techniques, Database Management System, Networking and Data Communication, Operating Systems and other Application Softwares.Database Lab with latest SQL Server and supporting application softwares like MS Access, SQL Server, Oracle 10g & 11g are used for software development. Programming Lab is used for programming with latest IDE installed in it, front-end tools like C/C++, Java, VB.Net Developer 215. Also, the department has well-furnished laboratories of Electronic Devices and Circuits, Communication Systems, Digital

Electronics, Microcontroller, Microprocessors Microwave Engineering, Industrial Electronics etc. The students are also given exposure to various advanced commercial simulation softwares such as MATLAB for image processing and communication system, OPTISYSTEM for optical communication system design, CST- studio for antenna designing etc. The students are motivated to participate in the various activities like mock tests, group discussions, seminars, workshops to improve soft skills and enrich their personalities.

ii) **Niche Areas**

The department has highly qualified and competent faculty having research specialization in Optical fiber communication systems and networks, wireless Communication, Semiconductor Nanomaterials, Antenna, Distributed Artificial Intelligence & Machine Learning,Digital Image Processing,Open-Source Software, Complex Networks etc.

iii) **Special Features**

The Department of Engineering and Technology was established in the year 2002 at the Guru Nanak Dev University Regional Campus, Gurdaspur with 4-year B.Tech.(ECE), B.Tech.(CSE) and MCA (FYIP) degree programmes. In 213, M.Tech., (CSE) and M.Tech. (ECE) Programmes were also started in the department. The department is catering to the needs of the students hailing from various parts of the country especially the backward and border areas of Punjab. It has highly qualified and competent faculty to educate the students theoretically and practically as per the industrial requirement. The faculty regularly attends various International/National Conferences/Symposia and Workshops to keep themselves updated with the emerging technological trends. The syllabi of offered Programmes are regularly updated to keep pace with the latest developments in the technology. The department has well stocked air-conditioned library having around 9,000 books, various newspapers, Magazines and subscription of various international e-Journals for ready reference to the students. Also, the department is well-equipped with the advanced laboratories with different research softwares such as NetLogo, MATLAB, OptiSystem, LabVIEW, Scilab and CST-Studio etc. The department provides state-of-the-art computing facilities and has about 150 Intel 5thGeneration computers having i5 processor, with latest software platforms like Windows 7/10, LINUX, UNIX etc. All the computers in the various labs /offices in the Department are connected via campus wide Local Area Network and WiFi facility is also available in the classrooms and the offices. The department provides Internet connectivity through 20Mbps leased line catering to the need of entire campus. The department has 8 ICT enabled classrooms and 2 seminar halls for lectures and other co-curricular activities.
