Amardeep Singh Shergill
(1973-1992)

Vice-Chancellor's Message

Education empowers the society to grow in real sense by overcoming poverty and ignorance. Barring all barriers, education should be spread to every stream of society and individual. The education system in India has grown in a remarkable way, particularly in the post-independence period, to become one of the largest systems of its kind in the world. Universities and colleges have to perform multiple roles, like creating new knowledge, acquiring new capabilities and producing an intelligent human resource pool, through challenging teaching, research and extension activities so as to balance both the need and demand. All possible measures are taken by Guru Nanak Dev University and its constituent colleges to impart quality higher education in accordance with the UGC's Higher Education Policies with a view to provide access to higher education for various sections of the society.

I am happy to share that Amardeep Singh Shergill Memorial College, Mukandpur believes in the development of students ensuring admirable future for them. The blend of academic experts, caring faculty, dynamic curriculum, research facilities and industry-academic interaction makes it the best choice to enhance the professional skills of its students. The college is not only committed to being a leading educational institution that develops each learner holistically within a quality educational framework but also provides an outstanding learning environment in character building, leadership, value systems, scholastic achievement and a wide range of opportunities in co-scholastic areas. A large number of national and international conferences, seminars and workshops are organized by the college to provide a variety of experiences to the students and inculcate skills such as leadership and team spirit which are helpful in their career.

Amardeep Singh Shergill Memorial College, Mukandpur has dedicated and committed faculty who continuously involve in welfare of the students and overall development of the institution, I am certain that efforts of learned teachers, non-teaching staff will accelerate the pace of development of education to meet the needs and aspirations of the society at large.

Dean College Development Council's Message

It is a privilege to lead as head of University colleges of Guru Nanak Dev University, Amritsar. These colleges work hard under the guidance of Guru Nanak Dev University, Amritsar for the purpose of raising the standard of higher education especially in rural areas. These colleges provide quality and affordable education to needy students.

While cherishing the journey and milestones achieved so far, we must look forward and prepare ourselves for future challenges to propel these colleges to even greater heights. From current year (2024-25), our primary focus is on implementing the New Education Policy (NEP) in its true spirit, fostering interdisciplinary research, deepening industry-academia collaboration, exploring and developing new avenues of knowledge, and resource generation through knowledge transfer. The students spend a significant portion of their lives on campus. They join the colleges to make their dreams a reality. In a world where change is the only constant, the colleges provide the students a solid foundation for their careers. The colleges give them the opportunity to integrate their minds, imaginations, and emotions in order to become capable of resolving public issues. The students have twofold responsibilities: one is to transform themselves, and the other is to address the complex problems faced by the society. It is my earnest appeal to students to make the best use of the time they spend at the college for their holistic transformation. The students must keep their curiosity alive and experiment new things. Let us educate society so that it is capable of generating innumerable ideas for human welfare. I am hopeful and confident that with everyone's support and commitment, we will achieve new milestones with ever-rising benchmarks, help our youth in making their dreams a reality, and propel the colleges to new heights. I urge the students to choose these colleges as their first preference.

The credit also goes to Vice-Chancellor of University, who has put in great efforts to develop these colleges.

Principal's Message

As I pen this message for our college prospectus, it is with deep gratitude and a profound sense of responsibility that I reflect on my first year as Principal and my 28 enriching years as a music teacher in this venerable institution. The journey has been a symphony of experiences, each note contributing to the harmony of our collective success.

Transitioning from the music room to the principal's office has been both a challenging and rewarding experience. As a music teacher, I had the privilege of shaping the artistic and creative minds of our students, witnessing firsthand the transformative power of education and the arts. This background has profoundly influenced my approach to leadership, emphasizing creativity, collaboration, and the nurturing of each individual's unique talents.

This past year, our college has demonstrated remarkable resilience and adaptability in the face of unprecedented challenges. The dedication of our faculty, staff, and students has been nothing short of inspiring. We have embraced innovative teaching methods, ensuring that our educational standards remain uncompromised. The spirit of our community has shone brightly, reaffirming our commitment to excellence and holistic development.

Looking forward, my vision is to cultivate an environment where academic rigor is seamlessly integrated with artistic and extracurricular pursuits. We will continue to enhance our curriculum to prepare our students for the complexities of a globalized world, fostering critical thinking, creativity, and ethical leadership. Our commitment to inclusivity and diversity will remain steadfast, ensuring that every student feels valued and empowered to achieve their fullest potential.

Music has taught me that every great composition is a blend of diverse elements, each contributing to the overall masterpiece. Similarly, our college thrives on the diversity of thought, talent, and background that each member brings. As we move forward, let us continue to work in harmony, each of us playing our part in the greater composition of our college's success.

I am deeply thankful for the trust and support you have extended to me in this new role. Together, we will build on our rich legacy, embracing innovation while staying true to the values that define us.

Thank you for your unwavering dedication and enthusiasm. Let us embark on this journey with renewed vigor, inspired by our shared commitment to excellence and our collective future.

With sincere gratitude and warmest regards,

Prof. Shamshad Ali

Principal

OUR SPECTRUM

Amardeep Singh Shergill Memorial College, Mukandpur (SBS Nagar) was taken over by Guru Nanak Dev University, Amritsar on July 4th, 2007 as a University College with the mission to provide quality education to the rural youth. The university has established this institution as Rural Model College. Under the aegis of worthy Vice - Chancellor, Prof. (Dr.) Jaspal Singh Sandhu, our college is progressing by leaps and bounds. The college was established in 1994 in the memory of Amardeep Singh Shergill, an illustrious student of London School of Economics who passed away in the prime of his youth. He was the only son of S. Gurcharan Singh Shergill and Sardarni Surinder Kaur Shergill. Instead of getting subdued in grief, the parents decided to serve a noble cause of spreading the light of knowledge amongst rural youth with the help of other 120 NRI associates.

The college is situated at Mukandpur, a small town in district S.B.S. Nagar. It is about 8 Kms from Banga, 20 Kms from Phagwara, 20 Kms from Phillaur and 20Kms from SBS Nagar. The campus sprawls in an area of over 20 acres with an architecture that merges with the landscape. It has a splendid triple-storeyed building with an open shelf library, having more than 33,543 books, 40 journals/magazines and leading newspapers. The college library is also providing e-journals and e-books through NLIST, Directory of Open Access Journals (DOAJ) and National Digital Library of India. The library has a separate e-book section also. Students can also access educational C.D's in the library. The college library provides facility of internet and photocopy to students and faculty members. The college has Physics, Chemistry, Botany, Zoology, Home Science, Music (V) labs and smart class rooms. In addition to this, there is a separate Computer Science and I.T. Block, which has six state-of-the-art Computer Labs equipped with 150 computers and internet connectivity of 20mbps (1:1) through radio link. The college campus is fully covered under Wi-Fi facility. Equipped with modern teaching aids, the Department of Commerce and Business Management disseminates essential skills of entrepreneurship through academic and professional courses. There is a separate Seminar hall with a seating capacity of 170 persons. A hostel for 80 girls is

available with extended internet facility in it. The Gymnasium with its latest imported machines is a cynosure of all eyes. Sports facilities include a track of four hundred meters and playfields for football, hockey, volleyball and handball. A fleet of buses carries the girl students to College and back to their homes. The beautiful open-air theatre helps our students to nurture their academic and cultural capabilities.

The college has highly qualified, hardworking and dedicated faculty. Presently, the college is running professional programmes like MCA(TYP), MBA (TYP), MBA(FYIP), PGDCA, DCA, DCM, DNCN, CCMLT, PGCCTDSM & RF along with other traditional programmes like M.Com, MA Punjabi, M.Sc. IT, BA (Hons.), B.Sc. (Hons.), B.Com (Hons.), BCA (Hons.) The college is implementing NEP 2020 from this session as per directions of Guru Nanak Dev University, Amritsar.

To widen the horizons of the learning, seminars and extension lectures by eminent speakers are arranged in the college from time to time. Separate units of N.S.S., Youth Club and faculty/subject wise societies have been working to make our students disciplined and service oriented citizens. Under the buddy programme for drug awareness being run by the Punjab Government, we are working towards educating our students about the ill effects of drug abuse and generate positive peer influence. Our College is leading in academics in the area and also has achieved name and fame in cultural activities. Educational trips are also organised during the session. Apart from being a medium for entertainment, these educational trips cultivate team spirit, mutual adjustment and tolerance amongst the youth. Various cultural programmes including talent hunt, inter-college competitions and Amardeep Mela are organized annually. Athletic meet is also our annual feature.

Our college has put forth an exemplary tradition of imparting blended education where students were given top priorities and teaching learning process was carried according to the need and pace of our dear students. The college is committed to provide quality education through towering standards of teaching and is hopeful to touch new vistas in the time to come.

COURSE CREDIT

COMMON GRADING TABLE		
Percentage Marks	Letter Grade	Grade Point
>90 to ≤100	O (Outstanding)	10
>80 to ≤90	A+ (Excellent)	9
>70 to ≤80	A (Very Good)	8
>60 to ≤70	B+ (Good)	7
>50 to ≤60	B (Above Average)	6
>40 to ≤50	C (Average)	5
≥35 to ≤40	P (Pass)	4
Below 35	F (Fail)	0
Absent (Ab)	F (Fail)	0

The student would be awarded a letter grade on a 10 point scale on the basis of his/her performance. Grades shall be awarded as per table given above.

Grading System

The Grading will follow Credit-Based System, the details of which are given below:

While undertaking the course work, the following terms are defined:

'Course' means a paper.

'Credit' means weightage assigned to a course

'Grade' means a letter grade assigned to a student on a 10 point scale.

'Grade point' means points assigned to a letter grade.

'Semester Grade Point Average' (SGPA) means weighted average of grades in a semester.

$$SGPA = \sum_{i=1}^m (G_i \times C_i) / \sum_{i=1}^m C_i$$

Where G_i are the grade points obtained by a student in the i th registered course and C_i are the credits of the i th registered course and 'm' is the number of courses registered by a student in a particular semester.

$\sum_{i=1}^m (G_i \times C_i)$ = Total grade points obtained by a student in a semester.

$\sum_{i=1}^m C_i$ = Total credits registered by the student in that semester.

Or

$$SGPA = [(G_1 \times C_1) + (G_2 \times C_2) + \dots + (G_m \times C_m)] / [C_1 + C_2 + \dots + C_m]$$

'Cumulative Grade Point Average' (CGPA) means weighted average of grades in all the semesters computed at the end of any semester or at the end of the course completion.

$$CGPA = \frac{\sum_{i=1}^n (G_i \times C_i)}{\sum_{i=1}^n C_i}$$

$$= [(G_1 \times C_1) + (G_2 \times C_2) + \dots + (G_n \times C_n)] / [C_1 + C_2 + \dots + C_n],$$

where G_i are the grade points obtained by a student in the i th registered course and C_i are the credits of the i th registered course, 'n' is the number of courses registered in all the semesters.

SGPA and CGPA shall be calculated up to two decimal places, after rounding off the third decimal to the nearest second place integer decimal, hence 0.005 to be increased to 0.01

Minimum Credits and Minimum CGPA required for a degree

The credits for the courses in which a student has obtained 'P' (minimum passing grade for a course) grade or higher shall be counted as Credits earned by him/her. A student shall have to earn a minimum of such number of Credits as may be required for the award of a degree in a particular course/discipline. A student, who has obtained a minimum CGPA of 4 and earned a minimum number of Credits as per scheme as specified for the programme, shall be eligible for the award of the respective degree.

- A student shall be required to maintain a minimum of 4 CGPA at the end of the final semester of his/her degree programme. If his/her CGPA falls below 4 at the end of final semester, the student will be declared as having failed in that particular year and will have to seek readmission in the odd semester of the particular year. For Example: In three year UG programme, the candidate having failed in the (final) 6th semester will have to seek readmission in the 5th semester.
- A student getting 'F' grade in any course will be treated as having failed in that course. If he/she fails in a course, he/she will have to repeat the course and will have to obtain at least 'P' grade in that course within the maximum specified period to complete the degree for that programme.

A student who does not complete the programme of study within the minimum duration of the course of his/her study, or gets 'F' grade in any course shall not be eligible for any merit position/medal/award of the University.

Notes:

- All such students who were admitted under the non-credit based system before the implementation of credit based evaluation and grading system will be governed under the prevalent respective Ordinances of non-credit based system of examination till they pass such classes/courses.
- Clauses relating to medium of instructions, duration of courses, eligibility, re-appear etc. which have not been mentioned under the new Common Ordinances will remain the same as per the previous ordinances.

This cell works in consonance with Youth Welfare Department, GNDU and Directorate of Youth Services, Punjab. Every year our students clinch accolades in competitions like folk song, one act play, skit, debate, elocution, Bhangra, Giddha etc. for the college.

SOCIAL OUTREACH PROGRAMS

N.S.S

N.S.S. aims at fostering social consciousness of the youth. Its overall objective is to inculcate the spirit of social service, dignity of labor, community development, national integration and fellow feeling among the students. It has been active in our college since 1994. The college runs two units of N.S.S. – one for boys two for girls.

Activities of N.S.S. include community service of 120 hours a year in college campus and special camp of 7 days in nearby rural areas. Other activities are – Adult education, Swachh Bharat Campaign, First-Aid Training, Campus Beautification, Quiz, Essay writing Competition, Blood Donation Camp, Aids Awareness and celebration of International Yoga Day. Students of all classes can apply for enrollment in N.S.S.

Go Green Campaign

The college has launched a 'Go Green Campaign' with a pledge to make the campus green and environment friendly. With collaboration of Rotary club, a wide variety of plants and flowers are planted in the campus. Students are made aware of environment pollution through debates, quizzes, essay writing and poster making competitions.

Buddy Program

Determined to counter the drug menace in Punjab, our students regularly participate in the government initiated Buddy Program for creating a drug free Punjab. To meet the objective of drug free Punjab, programs in the form of cycle rallies, Nukkad Nataks and awareness lectures are organized regularly both in the college and nearby villages.

Youth Club

The youth club remains active throughout the year. With a view to break the monotony of the classroom teaching, the club organizes hiking and trekking expeditions besides holding debates and declamation contests. Youth club is involved in various other activities like inter college expeditions and organizes extension lectures.

Seminars, Webinars & Extension Lectures

Acknowledging the fact that every institution pins to excel in academics, our college also strives inadvertently to stretch its wings in educational erudition. Adhering to this perspective various seminars, extension lectures and workshops are organized by all the departments to widen the horizons of the learners.

OTHER SERVICES

Career Guidance and Placement Cell

Career guidance cell with its quality resources and support helps the students in their career development from exploring their options to securing the suitable jobs. The cell not only offers help with career choices and job hunting but also helps in developing various skills that employers seek for by conducting various guidance sessions. The Placement Cell of the college provides ample opportunities to the students to carve a niche in the professional world. The cell organizes placement drives throughout the year in collaboration with Guru Nanak Dev University, Amritsar and Government of Punjab. Our students have got placements in some of the most coveted companies.

Harassment Free campus

As an innovative practice the institution has established various committees like student facilitation committee, prevention of caste based discrimination committee, students grievances cell, anti ragging committee, anti sexual harassment committee, SC scholarship committee etc, with the objective of providing

information regarding counseling and support services on the campus along with promoting awareness on different issues and redressing the grievances of the students. These committees and cells not only facilitate the students but also provide congenial atmosphere for the overall development of students. Quick and suitable action is taken against any complaint from a student thus ensuring a congenial environment in the college without any fear of harassment.

Excursions

In order to boost the capacity to learn and to teach meaningful application to young minds the college makes best efforts to complement the academic system with practical skills through various teaching methodologies that extend beyond classroom. Varied and multifarious activities like field trips, educational trips, visit to companies and industries, hands on work experience in almost all the practical subjects are integrated to the academic agenda. Educational trips also cultivate team spirit, mutual adjustment and tolerance amongst the youth in addition to being the source of entertainment.
