Do

If the job is to live a life, Let it be lived in entirety and with an intense passion.

Your

If the job is to achieve our goals, Let these be achieved as the drops which dissolve to be the oceans themselves

Job

And if the job is to excel and transform, Let the knowledge be our learning and the learning be our skill.

Well

Let the skill be an asset not of ours but of the whole mankind

MESSAGE

The fundamental significance of education transcends the mere acquisition of factual information, residing instead in the cultivation of holistic learning, the expansion of intellectual horizons, and the refinement of individual perspectives on life, thereby fostering a profound comprehension of the intricate world around us. Education constitutes the bedrock of both societal and economic advancement, endowing individuals with the capacities for critical analysis, judicious decision-making, and well-defined sense of purpose. The successful completion of higher secondary education represents a transformative epoch in a student's academic journey, ushering in the consequential responsibility of selecting a course of study and an institution of higher learning that are congruent with their personal aspirations and inherent aptitudes. Guru Nanak Dev University and its affiliated constituent colleges stand as a distinguished exemplar of such excellence, providing students with unfettered access to a wealth of knowledge and diligently facilitating the conversion of theoretical understanding into meaningful and practically applicable skills. This esteemed college, Guru Nanak Dev University College, Verka, Amritsar, embodying an overarching vision through its unwavering commitment to principles of academic integrity, pedagogical innovation, and the provision of an inclusive learning environment caters to the diverse needs of its student body. The institution transcends the conventional role of merely disseminating knowledge; it actively engenders dynamic and multifaceted opportunities for students to effectively apply their acquired learning within authentic, real-world contexts. Through a meticulously designed curriculum that is significantly enriched by a diverse array of extracurricular activities, intellectually stimulating competitions, insightful seminars, and skill-enhancing workshops, the Guru Nanak Dev University College, Verka, Amritsar actively cultivates self-assurance, fosters individuality, promotes leadership qualities, encourages effective teamwork, and hones crucial communication proficiencies. Guru Nanak Dev University College, Verka, Amritsar has cultivated a distinguished and commendable reputation in the domains of academic scholarship, athletic achievements, and a wide spectrum of co-curricular accomplishments, thereby contributing significantly to the holistic development of its students. Its modern and well-maintained infrastructure, comprehensively equipped laboratories that facilitate hands-on learning, an expansive and meticulously curated library that serves as a repository of knowledge, and a dedicated and highly qualified faculty collectively provide an optimal and conducive environment for both rigorous intellectual inquiry and comprehensive personal maturation. Moreover, the college steadfastly upholds the core values of transparency in its operations, rigorous accountability in its practices, and a strong commitment to social responsibility, thereby ensuring that its graduates are not only exceptionally well-educated but also ethically grounded and socially conscious citizens who are prepared to contribute meaningfully to society. It is my fervent belief that Guru Nanak Dev University College, Verka, Amritsar will persist in instilling values of intellectual curiosity, ethical integrity, and mutual regard among its students, nurturing a cohort of empowered individuals brimming with self-assurance and ambition. I extend my sincere appreciation to the Principal, esteemed faculty members, and students alike, for their unwavering dedication to future pursuits.

MESSAGE

It is a matter of honor and immense pleasure that destiny has given me an opportunity to lead the colleges associated with Guru Nanak Dev University, Amritsar. These colleges have been established with special purpose of raising the standard of higher education especially in rural areas. Higher education scenario globally has witnessed a significant change in approach and a remarkable growth. Higher education in India too, has readily adapted to the global demands and every institution has geared up to meet the global challenges by harnessing the latest technologies in education front. The major focus is on creating an optimized and vibrant platform for quality in knowledge enhancement and bridging the gap between academia and industry with an objective to build up core competence in students integrating knowledge with skills on the foundation of ethics and values. These colleges provide quality and affordable education to needy students.

While cherishing the journey and milestones achieved so far, we must look forward and prepare ourselves for future challenges to propel these colleges to even greater heights. The primary focus is to follow the New Education Policy (NEP) in its true spirit, fostering inter-disciplinary research, deepening industry-academia collaboration, exploring and developing new avenues of knowledge, and resource generation through knowledge transfer. The students spend a significant portion of their lives on campus. They join the colleges to make their dreams a reality. In a world where change is the only constant, the colleges provide the students a solid foundation for their careers. The colleges give them the opportunity to integrate their mind, imagination, and emotions in order to become capable of resolving public issues. The students have twofold responsibilities: one is to transform themselves, and the other is to address the complex problems faced by the society.

It is my earnest appeal to students to make the best use of the time they spend at the college for their holistic transformation. The students must keep their curiosity alive and experiment new things. Let us educate society and make it capable to generate innumerable ideas for human welfare. I am hopeful and confident that with the support and commitment of everyone, we will achieve new milestones with ever-rising benchmarks, help our youth in making their dreams a reality, and propel the colleges to new heights. I urge the students to choose these colleges as their first preference.

The credit also goes to Vice-Chancellor of the University, who has put in great efforts to establish and develop these colleges.

MESSAGE

True education is an amalgam of worldly knowledge, holistic skills and strong moral values. It equips a learner with attitudinal positivity to chase one's goals and aspirations. It is not only a tool for personal growth but also a means to empower ourselves to become agents of positive change. Guru Nanak Dev University College, Verka has a pious aim which is to enthuse, enrich, empower and enlighten our students. The college has a philanthropic vision to make young intelligentsia the pride of the nation. The college has reached applauding heights under the visionary leadership of Prof. (Dr.) Karamjit Singh, honourable Vice Chancellor, Guru Nanak Dev University, Amritsar.

The academic stature of the college is outstanding. The teachers are exceptionally conscientious and pursue an unrelenting approach of excellence in all fields of activity. The college offers an enriching curriculum comprising profitable courses coupled with all the amendments in consonance with NEP. The college promises quality education to the deprived, rural, unprivileged sections of society with a very low, affordable fee structure. We have an extremely organized and well oriented system of education where we offer fruitful opportunities to our students. This includes NCC, NSS, Red Ribbon Club, Youth Festival, ECO club, SVEEP Activities, Literary Society, Mendeleev Society and many other significant academic activities. Through these endeavours, we inculcate in impressionable young minds, the precious qualities of hard work, character building, humility, gentleness and above all perseverance. We teach our students to be responsible and secular members of society with a strong moral fibre. We infuse in them tolerance and compassion so that they contribute towards the development of a harmonious global community. We guide them to actualize their optimum potential by standing for their rights and abiding by their duties.

The teachers emphasize on cultivating a mindset of peace, understanding and compassion and propagating quality relationships. The primary objective is to transform them into torch bearers of academic excellence. Mother Teresa says "To work without love is slavery." This is exactly our mission for our entire workforce. Developing a strong and ardent love for our duties is a profound need particularly in the teaching profession.

I acknowledge the concerted efforts of the office staff and outsourcing employees who assist us in the maintenance of the sprawling college campus. We extend a hearty and warm welcome to our students with a commitment that we will cater to their holistic needs.

COLLEGE PROFILE

Guru Nanak Dev University College, Verka was established as a constituent college of Guru Nanak Dev University in 2011. It is a co-educational college. The administrative functioning of the college is regulated by Guru Nanak Dev University, Amritsar. It is situated in the lush green surroundings of the countryside away from the din of the city. It is located between the Amritsar-Jalandhar by-pass and Amritsar-Batala bypass. It has a sprawling campus covering 15 acres of land donated by Mushtarqa Malikan Committee of the village Verka. The people of Verka would be remembered for this act forever. The constituent colleges were set up to bring higher education within the reach of the people of remote rural areas, so that maximum benefit reaches the less privileged and the needy.

The college will scale new heights under the able guidance of Dr. Karamjit Singh, the present Vice-Chancellor of Guru Nanak Dev University. He has visionary zeal for academic excellence and under his leadership; the college will certainly reach the pinnacle of educational eminence. **The College is covered under the 2(F) & 12(B) scheme of the UGC. As a result, it is entitled to receive financial support from the Central government, the government of Punjab and the UGC.** The College has been given **BVOC** Courses also by the UGC. The teaching fraternity of college is highly qualified and

dedicated who constantly strive for their growth as well as for the holistic development of their students. For this purpose, both academic as well as extra curricular activities are conducted as a regular feature of curriculum. The teachers keep working for the pursuit of excellence in their respective fields. Many teachers have been promoted to the next stage under Career Advancement scheme of UGC. The teachers have presented papers and delivered lectures as Resource Persons in many national and international conferences and seminars. The teaching staff regularly attends faculty development programmes to remain updated and is also actively engaged in research work.

INFRASTRUCTURE

The College is housed in a double storied 'H' shaped building and has two wings. These two wings have been subdivided into blocks which are 'U' shaped. The newly constructed building with 45 spacious, airy, well lit classrooms is conducive for academic pursuits. It is friendly for the physically challenged persons, the ramp having been built particularly for this purpose. The two wings of the college have Arts, Science, Computers and Commerce faculties. The College has a well stocked library, a scholarship cell, NSS room & NCC office. There are well equipped laboratories, two each for Physics & Chemistry, one Fashion Designing Lab, one Psychology Lab, one Geography Lab, one Botany Lab & one Zoology Lab. There is a conference hall on the ground floor besides which is located the Administrative block. The other wings have Arts and ICT streams. The two wings are conjoined through two corridors. The ramp serves as a passage for reaching the upper building via the middle corridor. It helps to fulfill the requirements under Sugamya Bharat Abhiyan for the benefit of the physically challenged persons. The other corridor joins the Administrative block and the ICT wing. An overhead water tank meets requirement for the provision of clean water. There is also a security room beside the main gate for the security personnel. A boundary wall with barbed wire has been built around the entire college building to provide secure environment in the college. To further strengthen the security of the campus, CCTV cameras have also been installed.

IMPLEMENTATION OF NEP - 2020

The major recommendations regarding NEP-2020 are as under :-

1. All the Three-Year Bachelor Programmes will be converted into Four-year UG Honors Degree Programmes under NEP 2020 with exit option after three years and entry option into fourth year.
2. Three Value added courses (VACs) will be offered in 1st year, 2nd year and 3rd year, respectively, of the 4-year UG Degree Programme. Each student is required to complete all the three VACs each year during first three years of undergraduate degree program.
3. Professional programmes where English and Punjabi are taught only in First year (Semester 1, 2) will remain same and credit in further semesters will be used for other subjects.
4. Each student is required to complete one Ability Enhancement course (AEC), one Multidisciplinary course (MDC) & one Skill Enhancement course (SEC) each year during first three years of undergraduate degree program.
