Do

If the job is to live a life, Let it be lived in entirety and with an intense passion.

Your

If the job is to achieve our goals, Let these be achieved as the drops which dissolve to be the oceans themselves

Job

And if the job is to excel and transform, Let the knowledge be our learning and the learning be our skill.

Well

Let the skill be an asset not of ours but of the whole mankind

MESSAGE

The fundamental significance of education transcends the mere acquisition of factual information, residing instead in the cultivation of holistic learning, the expansion of intellectual horizons, and the refinement of individual perspectives on life, thereby fostering a profound comprehension of the intricate world around us. Education constitutes the bedrock of both societal and economic advancement, endowing individuals with the capacities for critical analysis, judicious decision-making, and a well-defined sense of purpose. The successful completion of higher secondary education represents a transformative epoch in a student's academic journey, ushering in the consequential responsibility of selecting a course of study and an institution of higher learning that are congruent with their personal aspirations and inherent aptitudes. Guru Nanak Dev University and its affiliated constituent colleges stand as a distinguished exemplar of such excellence, providing students with unfettered access to a wealth of knowledge and diligently facilitating the conversion of theoretical understanding into meaningful and practically applicable skills. This esteemed college, Guru Nanak Dev University College, Verka, Amritsar, embodying an overarching vision through its unwavering commitment to principles of academic integrity, pedagogical innovation, and the provision of an inclusive learning environment caters to the diverse needs of its student body. The institution transcends the conventional role of merely disseminating knowledge; it actively engenders dynamic and multifaceted opportunities for students to effectively apply their acquired learning within authentic, real-world contexts. Through a meticulously designed curriculum that is significantly enriched by a diverse array of extracurricular activities, intellectually stimulating competitions, insightful seminars, and skill-enhancing workshops, the Guru Nanak Dev University College, Verka, Amritsar actively cultivates self-assurance, fosters individuality, promotes leadership qualities, encourages effective teamwork, and hones crucial communication proficiencies. Guru Nanak Dev University College, Verka, Amritsar has cultivated a distinguished and commendable reputation in the domains of academic scholarship, athletic achievements, and a wide spectrum of co-curricular accomplishments, thereby contributing significantly to the holistic development of its students. Its modern and well-maintained infrastructure, comprehensively equipped laboratories that facilitate hands-on learning, an expansive and meticulously curated library that serves as a repository of knowledge, and a dedicated and highly qualified faculty collectively provide an optimal and conducive environment for both rigorous intellectual inquiry and comprehensive personal maturation. Moreover, the college steadfastly upholds the core values of transparency in its operations, rigorous accountability in its practices, and a strong commitment to social responsibility, thereby ensuring that its graduates are not only exceptionally well-educated but also ethically grounded and socially conscious citizens who are prepared to contribute meaningfully to society. It is my fervent belief that Guru Nanak Dev University College, Verka, Amritsar will persist in instilling values of intellectual curiosity, ethical integrity, and mutual regard among its students, nurturing a cohort of empowered individuals brimming with self-assurance and ambition. I extend my sincere appreciation to the Principal, esteemed faculty members, and students alike, for their unwavering dedication to future pursuits.

It is a matter of honor and immense pleasure that destiny has given me an opportunity to lead the Constituent colleges associated with Guru Nanak Dev University, Amritsar. These colleges have been established as a result of united effort of UGC, Government of Punjab and Guru Nanak Dev University, Amritsar with special purpose of raising the standard of higher education specially in rural area. Higher education scenario globally has witnessed a significant change in approach and a remarkable growth. Higher education in India too, has readily adapted to the global demands and every institution has geared up to meet the global challenges by harnessing the latest technologies in education front. The major focus is on creating an optimized and vibrant platform for quality in knowledge enhancement and bridging the gap between academia and industry with an objective to build up core competence in students integrating knowledge with skills on the foundation of ethics and values. These colleges provide quality and affordable education to needy students. While cherishing the journey and milestones achieved so far, we must look forward and prepare ourselves for future challenges to propel these colleges to even greater heights. The primary focus is to follow the New Education Policy (NEP) in its true spirit, fostering inter-disciplinary research, deepening industry-academia collaboration, exploring and developing new avenues of knowledge, and resource generation through knowledge transfer. The students spend a significant portion of their lives on campus. They join the colleges to make their dreams a reality. In a world where change is the only constant, the colleges provide the students a solid foundation for their careers. The colleges give them the opportunity to integrate their mind, imagination, and emotions in order to become capable of resolving public issues. The students have twofold responsibilities: one is to transform themselves, and the other is to address the complex problems faced by the society. It is my earnest appeal to students to make the best use of the time they spend at the college for their holistic transformation. The students must keep their curiosity alive and experiment new things. Let us educate society and make it capable to generate innumerable ideas for human welfare. I am hopeful and confident that with the support and commitment of everyone, we will achieve new milestones with ever-rising benchmarks, help our youth in making their dreams a reality, and propel the colleges to new heights. I urge the students to choose these colleges as their first preference. The credit also goes to Vice-Chancellor of the University, who has put in great efforts to establish and develop these colleges.

MESSAGE

Education is a fundamental societal need which churns human mind with the essentialities of a basic value system. Values and worldly education share a dialectical relationship. Students imbibe values and simultaneously study hard for career building and thus achieve self-actualization. The Bhagwad Gita states, "Right knowledge is the ultimate solution to all our problems." As we delve deeply into Lord Krishna's 'Karmayog Philosophy' we realise that every act can be an act of prayer. Career building and spiritual enhancement must evolve in a parallel pattern. Guru Nanak Dev University College, Verka is an insignia of an institutionalised value system. In this prestigious institution, we aim to channelise our students towards a challenging path of self-realisation and cultivate primal human values which will assist them to be honest and sincere human beings. The aim of our tenacious faculty is to assist the students to garner adequate social skills to make a profitable career and at the same time, nurture a path of values like truth, honesty, innate goodness, consistent hard work, catering to the value of living life in the present, punctuality, good conduct, developing a multi-tasking calibre, nourishing holistic skills and above all being simple individuals with a ripe character. Our college aspires to create dedicated citizens who are proud to be diminutive specks of a great motherland. We need secular minded beings who stand in awe of a country which is multilingual, multicultural and has a kaleidoscopic variety of traditions and religions. Right from the Himalayan peaks, stretching forth towards southern tip of Kanya Kumari, India has a magnanimity with a secular mindset, which we incorporate to our students.

The session 2024-2025 has been an immensely successful pursuit. It is with profound contentment that I acknowledge the cumulative effort of the entire workforce, primarily students and teachers, who have put in their best efforts for such an efficient and fruitful session. I also express my gratitude to all our other employees who constantly work for the cleanliness and maintenance of the college.

COLLEGE PROFILE

Guru Nanak Dev University College, Verka was established as a constituent college of Guru Nanak Dev University in 2011. It is a co-educational college. The administrative functioning of the college is regulated by Guru Nanak Dev University, Amritsar. It is situated in the lush green surroundings of the countryside away from the din of the city. It is located between the Amritsar-Jalandhar by-pass and Amritsar-Batala bypass. It has a sprawling campus covering 15 acres of land donated by Mushtarqa Malikan Committee of the village Verka. The people of Verka would be remembered for this act forever. The constituent colleges were set up to bring higher education within the reach of the people of remote rural areas, so that maximum benefit reaches the less privileged and the needy.

The college will scale new heights under the able guidance of Dr. Karamjit Singh, the present Vice-Chancellor of Guru Nanak Dev University. He has visionary zeal for academic excellence and under his leadership; the college will certainly reach the pinnacle of educational eminence. **The College is covered under the 2(F) & 12(B) scheme of the UGC. As a result, it is entitled to receive financial support from the Central government, the government of Punjab and the UGC.** The College has been given BVOC Courses also by the UGC. The teaching fraternity of college is highly qualified and dedicated

who constantly strive for their growth as well as for the holistic development of their students. For this purpose, both academic as well as extra curricular activities are conducted as a regular feature of curriculum. The students of this college have brought laurels by winning many online inter college competitions. Similarly, the teachers keep working for the pursuit of excellence in their respective fields. Many teachers have been promoted to the next stage under Career Advancement scheme of UGC. The teachers have presented papers and delivered lectures as Resource Persons in many national and international conferences and seminars. The teaching staff regularly attends faculty development programmes to remain updated and is also actively engaged in research work.

INFRASTRUCTURE

The College is housed in a double storied 'H' shaped building and has two wings. These two wings have been subdivided into blocks which are 'U' shaped. The newly constructed building with 45 spacious, airy, well lit classrooms is conducive for academic pursuits. It is friendly for the physically challenged persons, the ramp having been built particularly for this purpose. The two wings of the college have Arts, Science, Computers and Commerce faculties. The College has a well stocked library, a scholarship cell, NSS room & NCC office. There are well equipped laboratories, two each for Physics & Chemistry, one Fashion Designing Lab, one Psychology Lab, one Geography Lab, one Botany Lab & one Zoology Lab. There is a conference hall on the ground floor besides which is located the Administrative block. The other wings have Arts and ICT streams. The two wings are conjoined through two corridors. The ramp serves as a passage for reaching the upper building via the middle corridor. It helps to fulfill the requirements under Suganya Bharat Abhiyan for the benefit of the physically challenged persons. The other corridor joins the Administrative block and the ICT wing. An overhead water tank meets requirement for the provision of clean water. There is also a security room beside the main gate for the security personnel. A boundary wall with barbed wire has been built around the entire college building to provide secure environment in the college. To further strengthen the security of the campus, CCTV cameras have also been installed.
